Management Discussion and Analysis

Business overview

ABC Ltd operates two segments: Products and Services. The year saw steady demand in both segments and continued investment in capacity.

Financial performance

Revenue grew 25% during the year, driven by strong demand across both segments.

Employee costs stood at Rs 120 crore. Net profit rose 50% to Rs 60 crore, supported by better operating efficiency.

Working capital and funding

Trade receivables remain healthy and well within our normal credit norms. Borrowings increased to Rs 300 crore to fund expansion of manufacturing capacity.

Outlook

The Board expects stable demand in the coming year and will continue to focus on cash collection and cost control.
